# PUSHING BOUNDARIES

THE 2018 INSPIRATIONAL TOURING WORKSHOP  
SERIES FOR CREATIVE PHOTOGRAPHY

Hosted in **AUSTRALIA** and **NEW ZEALAND**  
by **Ken Ball & Wendy Verity**

with guest tutors Diane Costello and Murray Noble in Auckland

Following their joint keynote speaker roles at the Photographic Society of New Zealand conference in Nelson, New Zealand, last year (days before their own fifth annual workshop on pushing boundaries in creative photography in Akaroa) this inspiring duo of talented creativity teachers return this year on national tours for photographers of all levels.

Ken is an international award-winning veteran photographer of 50 years global experience. He has written 15 books about photography and staged 46 exhibitions from North America to Hong Kong.

Wendy won an emerging creative photographer scholarship in 2016 and her career has blossomed since with her inaugural exhibition “Inception” last year and a decision to pursue workshop teaching in Australia and New Zealand.

Diane Costello and Murray Noble have both achieved wide recognition in NZ for their exhibitions, books and teaching. Diane specialises in abstract photography while Murray is well known for his double and multiple exposure images.
